APEX CONTINUES AGGRESSIVE GROWTH PATH WITH NEW HIRE TO LEAD HUMAN RESOURCES

Tandy Harris Named Vice President of HR

HERNDON, VA – August 27, 2007 - Apex CoVantage, a leading knowledge process outsourcing (KPO) company, today announced the addition of Mr. Tandy Harris as Vice President of Human Resources. In alignment with the company's global corporate objectives, Mr. Harris will manage Apex's plans for aggressive employee expansion over the next two years. In this newly created position, Mr. Harris will direct all aspects of global human resources including employee recruitment, retention and development.

Leveraging his most recent position as Head of North American Human Resources for Infosys Technologies, Ltd, a \$4.1 billion global technology outsourcing company, Mr. Harris brings more than 25 years of hands-on management experience in human resources operations to the company.

"Apex's rapid growth in recent years, especially in the KPO space, raises by several notches the importance of attracting, motivating and nurturing top-talent. The range, depth and global reach of Tandy's experience make him an ideal candidate to lead the HR dimension of Apex's growth trajectory," said Dr. Shashikant Gupta, President of Apex CoVantage.

Prior to managing Infosys' HR initiatives for the USA, Canada and Mexico, Mr. Harris served as an HR professional at numerous prestigious organizations, including as Vice President Human Resources of CommerceQuest, Inc., as Senior Consultant Human Resources of PriceWaterhouse Coopers, and as Director, Human Resources of America Online. Mr. Harris holds a Bachelor of Science from Radford University.

"I'm excited to be joining a dynamic team at a crucial, take-off stage in the company's development and I look forward to contributing to the company's future success as Apex continues to grow its world-class talent base," said Mr. Harris.

About Apex CoVantage

Apex CoVantage is a US provider of global Knowledge Process Outsourcing (KPO). Apex helps businesses to execute precise knowledge, information and communications strategies through our diverse people, technology and workflow systems. We opened our first KPO service center in 1988 and subsequently pioneered the market for offshore, knowledge-based solutions. Today, we provide publishing, contact center, engineering, and research and content solutions from a global network of state-of-the-art facilities with US-based project management and leadership. In every industry, our clients are reaching the next level of service performance in partnership with Apex CoVantage.
